

HARTING RJ Industrial® 10G
field-installable RJ45 plug
part.-no.: 09 45 151 1560

HARTING Technologiegruppe
Marienwerderstr. 3
D-32339 Espelkamp

Pushing Performance

HARTING RJ Industrial® 10G RJ45 connector

- Robust industrial design
- Fully-shielded
- Field-installable with IDC technology
- For solid and stranded conductors
AWG 27 up to AWG 22
- max. wire diameter 1,6 mm Ø
- Cable diameter 4,5 – 9 mm
- Degree of protection IP 20
- Cat. 6, performance class E_A
suitable for 1 / 10 Gigabit Ethernet
- Temperature range -40 °C up to +70 °C
- 750 mating cycles

HARTING RJ Industrial® 10G RJ45 Steckverbinder

- Stabiles industriegerechtes Design
- Voll geschirmt
- Feldkonfektionierbar mittels IDC-Technologie
- Für Massiv- und Litzenleiter
AWG 27 bis AWG 22
- max. Aderndurchmesser 1,6 mm Ø
- Kabeldurchmesser 4,5 – 9 mm
- Schutzart IP 20
- Kat. 6, Übertragungsklasse E_A
geeignet für 1 / 10 Gigabit Ethernet
- Temperaturbereich -40 °C bis +70 °C
- 750 Steckzyklen
